FIW-TB-HFT-80	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-TB-HFT-90	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-14-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-22-Red	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-2-Green	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-22-Green	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-60-Green	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-2-Yellow	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request

FIW-ATS-5.5-Yellow	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-22-Yellow	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-60-Yellow	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-3.5-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-5.5-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-22-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-60-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-2-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-5.5-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-22-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-60-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-2-BlaTk	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-22-BlaTk	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-14-BlaTk	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-2-Red	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-60-Red	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request

FIW-ATS-5.5-Green	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-14-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-38-Red	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-38-Green	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-1.25-Yellow	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-8-Yellow	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-38-Yellow	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-1.25-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-8-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-38-White	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-1.25-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-8-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-38-Blue	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-1.25-BlaTk	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-3.5-BlaTk	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-8-BlaTk	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request

FIW-ATS-38-BlaTk	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-1.25-Red	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-8-Red	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-1.25-Green	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
FIW-ATS-8-Green	insulation for wires	Insulation for cable terminals at the points of connection with the wire. Material: PVC.	Price on request
